OUR STORY

"This is as close as it gets without taking a plane. Our handcrafted menu is rustic and comforting. We have sourced the highest quality local and imported Italian ingredients we could find. Historically significant items to my Italian heritage are marked with a *. These items I grew up eating and each hold a special memory for me. Forno is Italian for oven. Our custom wood-burning oven is the centerpiece of our kitchen and provides inspiration for many of the items on the menu. Our Neapolitan style pizzas cook at over 900 degrees with a thin crust and natural char in only 90 seconds!
